MEMORANDUM FOR: Inspector General
THROUGH : Chief, History Staff
SUBJECT : Request for copy of Memorandum for Record

1. An entry in the daily diary of former Inspector General Lyman B. Kirkpatrick on 24 April 1961 reads as follows:

"Drain came up and briefed me on the Cuban operation. (See Memo for the Record.)"

2. Richard D. Drain was Chief of Operations for the Anti-Castro Task Force at the time of the Bay of Pigs.

3. For purposes of my on-going work on the history of the Bay of Pigs, I wonder if a copy of the 24 April 1961 MR can be recovered? It could be of considerable interest in light of the controversial nature of Kirkpatrick's official investigation of the BOP operation.

4. Your assistance will be appreciated.
